

Red Flag Warning

- 1) Fuel your automobile (charge your E.V.)
- 2) Point your car toward exit away from your home
- 3) Unlock and open your gate
- 4) Place your “go bag” in your car
- 5) Take the necessary precautions with your animals
- 6) Charge/locate your batteries, phone, flashlights, etc
- 7) Fuel your generator and cycle the engine (if not automatic)
- 8) Full up water containers if you're in a pump and don't have a generator
- 9) Cease exterior work that could cause a spark.
(Remember, the Mendocino Fire Complex was started with a hammer). Do not mow or weed-whack
- 10) Remove cushions from porch furniture
- 11) Verify you know where your “crank up” or battery operated radio is, test it and tune to 1440AM or 99.3FM
